Dear Delegates and Guests;

The essentials of the 2016 Nye County Republican Convention are listed above. There are additional details listed here and the proposed agenda is printed on the back of this letter.

First I want to welcome all delegates & alternates and thank you for your dedication and interest in being actively involved in the Republican Party here in Nye County.

While attending your precinct meeting you raised your hand to become a delegate to our county convention. As the county party we are allotted 76 delegates to the Nevada Republican State Convention being held in Reno the weekend of May 14-15. If you'd like to be a delegate to the state convention then please add your name to self-nomination list when you sign in to our county convention.

At our county convention we will elect a Convention Chairman and I'm happy to report our former National Committeeman, James Smack has agreed to travel down from Lyon County to help us in that respect. We'll also elect delegates to the state convention, adopt bylaws and platforms for our county party and consider any resolutions as well. We'll also likely hear from Republican candidates running for various offices (during lunch break and with time limits).

LUNCH & REFRESHMENTS:

Muffins, doughnuts, chips, coffee, water, soda, etc. will be available throughout the day for \$1 each. Available lunch of a fresh quarter-pound all-beef hot dog, chips & drink will be available for \$5. All food & drinks will be made available through the PVHS culinary department.

During the lunch break candidates will have an opportunity to address the convention attendees. If you are a candidate or know a candidate who'd like to speak at lunch please have them contact NCRCC Chairman Bill Carns, chairman@nyegop.org.
