# She Votes 2012

Concerned Women for America's exciting new national get out the vote project

She Votes 2012 inspires, trains and activates conservatives to impact elections across the country. Ultimately our objective is to see more conservative representatives in office who will uphold traditional family values and constitutional free market principles.

With only half of the Christians in the United States currently registered to vote and even less actually voting, we have an opportunity to turn the tide simply by getting out the vote!

If Christians don't vote, then whose values will be represented in the U.S. Congress?

Together we will change the course of our nation through prayer, voter registration, canvassing, voter identification, voter turnout and more.

**Join us in Ruckersville to discover how to become part of the She Votes 2012 Team!**

Let us not forget that this battle is indeed spiritual and will be won in November first and foremost with continued vigilant prayers. Please commit to praying regularly for the November elections.

Let your prayers be accompanied by your actions. There is a place for everyone on the team! Join us and put your talents to good use for the glory of God!
