## THE CHOICE ~~of~~ AMERICAN JEWS

President Barack Obama and Vice President Joe Biden have taken historic steps to improve the lives of millions of Americans and move our country forward — engaging in “*Tikkun Olam*” (repairing the world), making them the choice of American Jews.

Some of their domestic accomplishments of special interest to American Jews include:

- ★ Historic health care reform
- ★ Protecting the social safety net, reflecting our social justice values
- ★ Working to expand equal rights

Obama and Biden have been stalwart defenders of Israel by:

- ★ Providing record amounts of military aid for Israel
- ★ Defending Israel's legitimacy on the world stage
- ★ Aiding Israel when it needed help the most

Obama and Biden have made stopping Iran's nuclear weapons program a top priority by:

- ★ Taking unprecedented steps to halt Iran's nuclear weapons program
- ★ Rallying the world behind the toughest-ever sanctions
- ★ Emphasizing that all options — including force — are on the table

In sharp contrast, Mitt Romney and Paul Ryan do not reflect the values of most American Jews on so many issues:

- ★ Reproductive choice and women's health
- ★ The social safety net and the Romney-Ryan budget
- ★ Equality, and so much else

NJDC maximizes Jewish support for Democrats at the federal and state levels of government.

NJDC also educates Democratic elected officials and candidates to increase support for Jewish domestic and foreign policy priorities.

We do this to promote both social justice in America and a secure, democratic Jewish State of Israel.
